Hi Webster,

Great! I've just sent a meeting invitation for 10-10:45am on Fri 9/13. I think you had mentioned Pippin as a possible person to join the call; happy to have him or whomever else join. Best wishes for Friday and this coming week. Thanks,  
-Rory

Hi Rory,

We're open on Friday, September 13th, from 10-11.

That particular hour is straddled on either side by Board member briefings that both Laura and I will need to attend, so we'll likely need to end a bit early in order to get to the briefing room and get situated.

I'll pull in other staff/1st line managers as necessary, but for scheduling purposes, it would be just Laura and myself.

Thanks,

Webster

Hi Webster and Laura,

As a separate follow-up item, we'd like to have a call with you/CARB about aggregate commitments in the SJV PM2.5 Plan, for example, identifying specific actions taken to date (or coming in the next few months) to fulfill the Plan's control strategy. Here are the best times/dates for us:

- Thu 9/12, 11-12am
- Fri 9/13, 10-11am

May I ask if either time would work for you? If not, I could offer some less preferred, but still possible times. Are there other staff/1<sup>st</sup> line managers at CARB that we should include? Please let me know and I'll be happy to send an invitation and conference line. Thanks!

Rory
